

TOY DRIVE!

*It is hard to believe the **2019** holidays are nearly upon us! The BBFRD we will again be hosting our annual toy-drive for the Lord's Place and the pediatric ward at Bethesda Memorial Hospital! Last year alone, there were 60 families seeking shelter at the Lord's Place, which places the importance of this toy drive in perspective and serves as a reminder of just how fortunate we are!*

Our Needs . . .

The children would benefit from learning toys, skateboards, art supplies, fishing supplies, and basic needs such as clothing/shoes/diapers/wipes. Remember, we can only accept **NEW** and **UNWRAPPED** items in their original packaging!
